

The 10/40 Window

Getting to the Core of the Core

The core of the unreached people of our world live in a rectangular-shaped window! Often called "The Resistant Belt", the window extends from West Africa to East Asia, from ten degrees north to forty degrees north of the equator. This specific region, which has increasingly become known as *The 10/40 Window*, encompasses the majority of the world's Muslims, Hindus, and Buddhists -- billions of spiritually impoverished souls.

As we approach the end of this millennium, it is imperative that our evangelistic efforts be focused among the people who inhabit *The 10/40 Window*. If we are serious in our commitment to provide a valid opportunity for every person to experience the truth and saving power of Jesus Christ, we cannot ignore the compelling realities within this region.

The 10/40 Window confronts us with several important considerations: *first*, the historical and biblical significance; *second*, the least evangelized countries; *third*, the dominance of three religious blocs; *fourth*, the preponderance of the poor; *fifth*, the unreached ethnolinguistic people groups; *sixth*, the least evangelized megacities; and *seventh*, the strongholds of Satan within *The 10/40 Window*.

The first and most fundamental reason why committed Christians must focus on *The 10/40 Window* is because of the biblical and historical significance of this area. Indeed, the Bible begins with the account of Adam and Eve placed by God in the heart of what is now *The 10/40 Window*. God's plan, expressed in Genesis 1:26, was that mankind should have dominion over the earth, subduing it fully. However, Adam and Eve sinned against God and forfeited their right to rule. Man's sinful behavior increased until God intervened and judged the earth with a cataclysmic flood. Then came man's futile attempt to establish new dominion in the building of the great Tower of Babel. That effort, which also occurred in the heart of *The 10/40 Window*, was an open defiance against God. Once again, God reached forth His hand in judgment. The result was the introduction of different languages, the scattering of earth's people, and the formation of nations.

[10/40 Window Facts: An astonishing 97% of the persons who inhabit the least evangelized countries live in The 10/40 Window.](#)

In *The 10/40 Window* we can see clearly the crucial truth expressed in Graham Scroggie's book [The Drama of World Redemption](#): "A world having turned from God, He left it and chose a man through whom He would ultimately by Christ reach the world." Certainly we can see how ancient history ran its course in the territory marked by *The 10/40 Window*, from the cradle of civilization in Mesopotamia across the fertile crescent to Egypt. Empires rose and fell. The fate of God's people Israel varied in relation to their obedience to His covenant. It was here that Christ was born, lived a perfect life, died sacrificially on the cross, and rose triumphant over death. The church age was ushered in, and it was not until the second missionary journey of the Apostle Paul that events of biblical history occurred

outside *The 10/40 Window*. Without question, this is an area of great biblical and historical significance.

The second reason why committed Christians should focus on *The 10/40 Window* is because it is home to the majority of the world's unevangelized people. The "unevangelized" are people who have a minimal knowledge of the gospel, but have no valid opportunity to respond to it.

While it constitutes only one-third of earth's total land area, nearly two-thirds of the world's people reside in *The 10/40 Window*. With a population nearing four billion, *The 10/40 Window* includes 59 countries, both sovereign states and non-sovereign dependencies. Those countries with the majority of their land mass lying within the boundaries of *The 10/40 Window* are included.

[A list of countries in the 10/40 Window.](#)

Of the world's 50 least evangelized countries, 37 are within *The 10/40 Window*. Yet those 37 countries comprise 97% of the total population of the 50 least evangelized countries! Such a fact leaves no doubt that our challenge in reaching the unreached must center on the core -- *The 10/40 Window*.

If we take seriously the mandate to preach the gospel to every person, to make disciples of all peoples, and to be Christ's witnesses to the uttermost part of the earth, we must recognize the priority of concentrating our efforts on *The 10/40 Window*. No other area is so blatantly in need of the truth that salvation is only in Jesus Christ.

A third reason we must focus on *The 10/40 Window* is evident in the fact that it contains three of the world's dominant religious blocs. The majority of those enslaved by Islam, Hinduism, and Buddhism live within *The 10/40 Window*.

[2.7 Billion Buddhists, Hindus and Muslims in the 10/40 Window](#)

Viewing [the map on page three](#) from left<> to right, the Muslim world can be seen most prominently in a wide band across the north of Africa into the Middle East, a bloc representing over 700 million. On the right side of the map is the Buddhist world, encompassing the whole of China.

From its center in *The 10/40 Window*, Islam is reaching out energetically to all parts of the globe; in similar strategy, we must penetrate the heart of Islam with the liberating truth of the gospel. We must do all in our power to show Muslims that the highest prophet described in the Koran is not Mohammed, but Jesus Christ. And that He is not only the greatest prophet, but the Son of God Himself who died and resurrected in order that millions of Muslims may be saved.

10/40 Window Facts: Projected populations by the year 2000 AD: 1.1 billion Muslims; 1.0 billion Hindus; and 600 million Buddhists.

Overwhelmed with poverty and ravaged by disease, India is victimized even more severely by the spiritual blindness of Hinduism. To a nation in which fattened cows roam freely

among emaciated humans, we must proclaim the truth that Jesus came to give us life, and give it abundantly.

Although officially an atheistic country since the Marxist revolution of the late 1940s, China is nevertheless influenced deeply by its Buddhist roots. Some scholars, in fact, consider China's true religion to be combination of atheism and Buddhism. In actuality, religion in China is a hodgepodge which includes folklore, mysticism, animism, and occult practices. Regardless of how one may assess the situation, the fact remains that 1.2 billion Chinese are in desperate need of Jesus Christ. They represent the largest identifiable bloc within *The 10/40 Window*.

A fourth reason we must focus on *The 10/40 Window* is because the poor are there. Of the poorest of the poor, more than eight out of ten live in *The 10/40 Window*. On average, they exist on less than \$500 per person per year. Although 2.4 billion of these people live within *The 10/40 Window*, only 8% of all missionaries work among them.

82% of the Poorest of the Poor Live in the 10/40 Window

Brent L. Myers, in his perceptive article entitled, "Where Are The Poor And Lost?", states that "the poor are the lost, and the lost are the poor." He arrived at this conclusion after illustrating that the majority of the unreached live in the poorest countries of the world.

When Christians from 170 countries gathered at Lausanne II in Manila in 1989, great concern was expressed for the materially poor. In the second section of the Manila Manifesto, that concern was recorded in the following declaration: "We have again been confronted with Luke's emphasis that the gospel is good news for the poor (Luke 4:18, 6:20, 7:22) and have asked ourselves what this means to the majority of the world's population who are destitute, suffering and oppressed. We have been reminded that the law, the prophets, the wisdom books, and the teaching and ministry of Jesus all stress God's concern for the materially poor and our consequent duty to defend and care for them."

Committed Christians cannot ignore the reality that there is a remarkable overlap between the poorest countries of the world and those that are least evangelized.

The fifth reason we must address our concerns on *The 10/40 Window* is because it contains the largest spiritually bankrupt ethnolinguistic megapeoples (over one million). In fact, over 90% of the individuals in these people groups live in *The 10/40 Window*.

A list of the Least Evangelized Megacities in the 10/40 Window.

The sixth major reason we must focus on *The 10/40 Window* is because it contains the overwhelming majority of the world's least evangelized megacities -- that is those with a population of more than one million. Of the top 50 cities on this list, all 50 are in *The 10/40 Window*! That fact alone underscores the need for prioritizing our efforts to reach each of these great metropolises with Christ's love and truth.

Reason number seven for focusing on *The 10/40 Window* is that it includes numerous strongholds of Satan. The billions of people who live in *The 10/40 Window* have suffered not only the ravages of poverty and disease, they have also been kept from the transforming power of the gospel. They are poignant examples of the truth expressed in 2 Corinthians 4:4, which states that "the god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel of the glory of Christ, who is the image of God."

We must not view this situation with a fatalistic attitude, for we have been granted power to intervene. In a later

passage of the same letter, the Apostle Paul declares: "For though we live in the world, we do not wage war as the world does. The weapons we fight with are not weapons of the world. On the contrary, they have divine power to demolish strongholds" (2 Corinthians 10:3-4). Although Satan has established a territorial stronghold in *The 10/40 Window*, we must not concede one parcel of land nor one person. The gospel must advance.

Looking back across the pages of history we discover a heartening story about spiritual warfare in the writings of the prophet Daniel. A fervent man of prayer, Daniel was highly esteemed by God and by the people of his generation. On one occasion, while waiting on God in prayer, Daniel fasted on bread and water for three weeks. Finally a majestic angel whose appearance was as lightning brought an answer to his prayer. He assured Daniel with the promise that "...your words were heard, and I have come in response to your words" (Daniel 10:12). However, the angel then went on to explain how, en route to answer Daniel's prayer, he was detained for 21 days by the demon assigned to the Persian king (Daniel 10:13). It was only when the archangel Michael arrived to help that he was able to free himself from the battle to go to Daniel.

This fascinating passage unveils the reality and territorial nature of the spiritual battle in the heavenlies. The angel who visited Daniel announced that he would have to return to the battle over the Persian kingdom. Apparently, that battle still rages, for ancient Persia is now modern-day Iran. Still a stronghold zealously held by Satan, Iran is situated at the center of *The 10/40 Window*.

10/40 Window Facts: 2.4 billion people -- 40% of the world's population -- live on less than \$1.40 per day in The 10/40 Window.

George Otis, Jr., has concluded that two powerful demonic forces, with great biblical significance, stand at the epicenter of the unreached world -- the prince of Persia (Iran) and the spirit of Babylon (Iraq) -- and both must be penetrated with the gospel before the Great Commission can be completed. Otis observes that this will occur in the region of the Garden of Eden, where the command to "subdue the earth" was originally given.

It is evident that the forces of Satan have great power and will resist all attempts to be overcome. If we are to storm the enemy's territory, we must put on the full armor of God and fight with the weapons of spiritual warfare described in Ephesians 6. To depend on anything less is utter foolishness.

The leaders of the AD2000 Movement are in full agreement that our greatest challenge in the final years of this century is to provide a valid opportunity for every people, every city, every person to experience the truth and saving power of Jesus Christ. **The goal of the AD2000 & Beyond Movement is a church for every people and the gospel for every person by the year 2000.**

The focus of the concern Christian community 200 years ago was for the coastlands of the world. A century later, the success of the coastlands effort motivated a new generation to reach the interior regions of the continents. Within the past decades, the success of the inland thrust has led to a major focus on people groups. More recently, the world's burgeoning megacities have also become focal points of concern. Today, rapidly approaching the third millennium since Christ, we are wise to concentrate our efforts on *The 10/40 Window*.

Of course, this calls for some of us to reevaluate priorities. We must find the most innovative ways to reach the billions of people within *The 10/40 Window* with the love and truth of Jesus Christ. We must mobilize for a massive prayer focus on *The 10/40 Window* with the body of Christ worldwide. However, it must be clearly understood that concentration on *The 10/40 Window* does not mean a curtailing of Christ's work going on elsewhere around the globe. Missionary endeavors in evangelism, training, relief, development, church planting, and mobilization for cross-cultural missions should go on unhindered.

If we are faithful to the Scriptures, obedient to the mandate of Christ, and unwavering in

our commitment to plant churches within every people and city by AD 2000, then we will get to the core of the core -- *The 10/40 Window*. May God grant each of us boldness and wisdom and energy to do our part in taking on this great and eternally significant challenge.

The 10/40 Window

What can you do?

What you can do:

There are several important ways in which your church or prayer group can become involved in advancing the AD2000 & Beyond Movement and focusing attention on *The 10/40 Window*. Consider these possibilities:

Establish an AD2000 Task Force

- Form a task force of individuals who are committed to pray for the evangelization of the world for Christ. Select a name of your group such as "AD2000 Task Force" or "AD2000 Committee."
- Assign responsibilities within the task force, including communication with church and ministry leaders, promotion, leadership of prayer groups, etc.

Select An Unreached People, A Least Evangelized City and Country

- Select one unreached people group to adopt. By adopting the group, recognize that you are committing to pray for their evangelization. For an AD2000 listing of unreached peoples and more information, contact the Adopt-A-People Clearinghouse, P.O. Box 17490, Colorado Springs, CO 80935, (719) 574-7001.
- Join a "Joshua Project 2000" short term missions team to travel to one of the targeted 2000 least evangelized people groups to pray and do research on how to reach that people. For more information, contact the AD2000 & Beyond Movement, 2860 S. Circle Dr., Suite 2112, Colorado Springs, CO 80906, (719) 576-2000. The AD2000 International Office will be closing early in 2001. [Click here for more information.](#)
- Select one of the 1000 least evangelized cities. Study the AD2000 Cities Track Listing available from: Urban Leadership Foundation, 127 N. Madison Ave., #20, Pasadena, CA, 91101, (818) 584-3863.
- Select one of the 61 countries in *The 10/40 Window* to adopt. Detailed information on the countries is available through: The Sentinel Group, P.O. Box 6334, Lynnwood, WA 98036, (206) 672-2989.
- Assign four task forces for these prayer segments: unreached people group, city, country, and *The 10/40 Window*.
- Initiate a special adoption process or service that will highlight the unreached people group, city, and/or country that you have adopted.

Hold an AD2000 Consultation

- Conduct a consultation with leaders of key ministries within your church or group to set goals from the present to the year 2000 based on the Word of God, the contextual realities of the ministry within the church/group and outside the church/group, and what you expect God to do in and through the church/group by the year 2000. (Include a local and a global focus.)

Prepare For *Praying Through the Window*

- Organize a seminar to prepare for *Praying Through the Window* in October 1995 and October 1997. Materials are available through the Christian Information Network, 11025 Hwy 83, Colorado Springs, CO 80921, (719) 522-1040.
- Coordinate a month of prayer with fasting in October 1995 and October 1997, to pray for spiritual breakthroughs, the outpouring of the Holy Spirit, and the Lordship of Jesus Christ to be established in every people group, every city, and every country in *The 10/40 Window*. The focus of October 1995 is the 100 Gateway Cities, and the focus for October 1997 is the 2000 least evangelized peoples.
- Send a team to one of the countries in *The 10/40 Window* for on-site intercessory prayer during a week in October 1995 and October 1997. Coordinate with the Christian Information Network at the above address.

Prepare For Community Wide Efforts

- Organize Concerts of Prayer in your city. For more information contact Concerts of Prayer International, P.O. Box 1399, Wheaton, IL 60189, (708) 690-8441.
- Organize local churches to join in the united prayer march in your city. Upcoming dates: May 25, 1996; May 17, 1997; May 30, 1998; May 22, 1999, and June 10, 2000. For more information, contact the March for Jesus, P.O. Box 3216, Austin, TX 78764, (512) 416-0066.

*A Church for Every People and
the Gospel for Every Person
by AD 2000*

AD2000 International Office is Closed

The AD2000 & Beyond Movement was formed to encourage, motivate, and network men and women church leaders by inspiring them with the vision of accelerating the reaching the unreached through the year 2000. We believe that God has used the AD2000 and Beyond Movement to do that and to mobilize the Church to focus more on the unreached peoples in the 10/40 Window and around the world. This has been done through consultations, prayer efforts, national initiatives, functional tracks and task forces, and communication materials.

It has been the intention of the Board of Directors right from the beginning that the International Office of the movement would close after the year 2000. Their vision for the movement included closing it down so that other ministries and structures would pick up the challenge and carry the work forward beyond anything the AD2000 and Beyond Movement could do. This is happening through many national movements as well as in many ministries and churches working together toward reaching the unreached.

Therefore **the International Office closed early in 2001**. Although AD2000 may no longer be able to answer personal inquiries, our web site offers resource lists and links to others who may provide the information you need. We encourage you to visit the [Joshua Project II website](#) for the latest unreached peoples data and profiles. [Joshua Project II](#) is continuing and expanding the original Joshua Project initiative by highlighting least reached peoples through information sharing and networking. <> The [Resource section](#) of the Adoption<> Guidance Program may prove especially beneficial. They are poised to encourage you and to assist your efforts to focus on the world's least reached peoples. Please use them as you pursue how you can help see "a church for every people and the gospel for every person."
